7 Things He'll Never Tell You - LifeWay

7 Things He'll Never Tell You. Dr. Kevin Lemman October 10, 2011. Studies reveal that about 50 percent of those who marry today will end up divorced. And of the other 50 percent who stay together, only half of those are satisfied with their relationship. No wonder the average marriage lasts only seven years.

I enjoyed most of 7 Things He'll Never Tell You. Dr. Leman was helpful in explaining the strange workings of the male mind. His anecdotes are engaging and the book is entertaining, sensible, and hard to put down. Unfortunately Dr. Leman flatters women too much, but his advice is practical and helpful.

4. I would never tell my Mother that I always wanted to be an only child. Why she had to clutter the house up with all those other kids (3 sisters and a brother) is beyond me! Oh the pleasures of being an only child! 5. I would never tell my Mother that I am not really interested in our family history.

The curtain is now raised, so let's take a peek into things that successful people do that they will never tell you: 1. They have weird routines. Some of us may have read about the weird sleep and work routines of highly successful people. While some successful people develop innovative ideas when asleep, some derive ideas by refusing to sleep!
