Active Skills are special skills that can be activated before collecting Ki, only once per battle and only after a certain amount of turns. Once the condition has been met, the player is able to decide whether it's preferable to activate it right away or to wait for a different turn. The Active Skill will be displayed with a special animation, and often with voice acting as well.

The main reason for increased testing may be that your child can now use higher level thinking skills — the ability to describe, explain, and make educated guesses based on what she reads. By third grade, your child should have a basic knowledge of core subjects and the ability to read at grade level. Formal testing is the best way to see ...
