Then came And Then There Were None, and it absolutely blew me away. Evil Under The Sun's main problem for me was the distinct lack of action - in essence, the book features one brief murder and then concentrates solely on the suspects' alibis. A little dull, I thought. No such problem though with And Then There Were None.

I found out, by accident, that there would be an exhibition of 'And Then There Were None' and found interesting that it was a 3 episode mini series. The cast is brilliant, they have a very intense screen chemistry and the aesthetics, over all, are very genuine to the era where the story is set. The DVD comes with more than a few extras.

And Then There Were None presents two kinds of guilt: personal and legal. The majority of the characters in the novel are people who have escaped the latter but are plagued by the former. Justice Wargrave understands the power of personal guilt as shown by the fact that he guesses Vera will kill herself when she is the last one left on the island.
