2020 Armstrong Air Furnace Reviews | FurnaceCompare

I have had an Armstrong furnace for 15 years and I must say that I have never had so many problems with a furnace or even if you put all the rest of them together I have not had as many problems as with the Armstrong Ultra v. This P.O.S. has gone thru three blower motors and modules and had several failures with flame rods and exhaust blowers.

Armstrong Air Furnace Reviews - Reviews - Furnace Compare

Contact your Armstrong Air dealer if the problem persists. Dirty or blocked ductwork. Check your indoor unit to see (or hear) if the blower is running. Then go to different vents in your house to feel for airflow. If you do not feel any air, contact your local Armstrong Air dealer for duct cleaning services.
