Ok so it is not so much a belief in Mother Nature per se but in what she represents such as the nature that is all around us. My question is that is she separate from God made things or a part of them. Keep in mind I believe in God (masculine) so I mean no disrespect to you or the Goddess you believe in.

What Religions believe in "Mother Nature" / myLot

Many Indians had an appreciation of nature's beauty as intense as any Romantic poet. Religious beliefs varied between tribes, but there was a widespread belief in a Great Spirit who created the earth, and who pervaded everything. This was a panentheist rather than a pantheist belief.

North American Indians: the spirituality of nature

We believe in the power and significance of the Church and the necessity of believers to meet regularly together for fellowship, prayer and the 'breaking of bread'. We believe that God has individually equipped us so that we can successfully achieve His purpose for our lives which is to worship God, fulfil our role in the Church and serve the community in which we live.

What We Believe - Hillsong Church

The Nature of Reality Belief versus Knowing Alex Paterson examines the difference between believing and knowing... Most people think that what they believe about the nature of reality and what they know about reality are one and the same thing, but this is incorrect. There is a fundamental difference between believing something and knowing something.
