## **What is Holistic Counseling?**

To do this, career counselors take a holistic approach, viewing each client as a whole person and then seeking out life themes that have a natural connection to a career for which the client is qualified. There's little long-term benefit to entering a career that you're good at but dislike.

counseling starts by addressing your life, and then moves from that larger context to look at your job, career, finances, relationships, creativity, etc. Because you have many facets and elements to your life, we often look at how all the pieces are fitting - or not fitting - together. The goal is to help you create a life you
