Sault Area Hospital is remaining on heightened alert and in a 'constant state of readiness' as COVID continues to plague communities across the province and beyond. "We are in a constant state of readiness and are responsive to provincial direction and medical evidence around COVID-19," said Brandy Sharp Young, SAH manager of communications.

SAH stays in 'readiness' mode as second wave continues ...

Collection of WHO technical guidance on COVID-19, updated based on new scientific findings as the epidemic evolves.

Technical guidance publications

All countries should increase their level of preparedness, alert and response to identify, manage and care for new cases of COVID-19. Countries should prepare to respond to different public health scenarios, recognizing that there is no one-size-fits-all approach to managing cases and outbreaks of COVID-19.
