Cat 3126 heui junk! - YouTube

I have a 3126 in a 2004 Ford that was running fine when I parked it. Tried to start it after is sat for a couple of weeks. The engine cranks like it should but makes no signs of starting. The engine has only 49000 miles on it. After reading several posts on here I checked engine oil. It was really low.

Cat 3126 Cranks but won't start - School Bus Fleet ...

It seems most of these trucks have the inline 6 7.2L Cat 3126 and a few have the CAT 3116. I'm not at all familiar with these engines and was looking for some insight, both good and bad on them. This truck won't be getting used that much (maybe 2 days a week) but it's something I need to run when I need it so really looking for great reliability and low maintenance.

Thoughts/reviews on CAT 3126 engine | Diesel Place

7 Reasons For Low Oil Pressure in a Diesel Engine. When low oil pressure is detected the immediate response is to think the worst. However, most issues can be resolved with simple solutions. This article explains 7 of the most common causes for low oil pressure in a Caterpillar C7 but the principals can apply to the majority of diesel engines.
