Cloze is a technique that is popular with middle school students as well as teachers.

Some refer to it as "fill-in-the-blank" work due to worksheets and tests in which words are removed from text and replaced with blanks. Although

mainly used in

Cloze Activities. Cloze activities are great vocabulary builders. Cloze activities come highly recommended by proponents of the Lexical Approach such as Michael Lewis. We have grouped them in three general categories holiday, children's and adult, although many adult students would probably find the children's cloze activities useful.
