Continental L Head Engine Timing - CTSNet

Continental Ignition Timing. One of the most common questions asked on our help line concerns the ignition timing on Continental F-162 and F-163 engines used on the Lincoln SA-200, SA-250, SA-300, and SA-400 welding machines. Since these engines turn no faster than 1800 RPM's, there is no need for automatic ignition advancement.
