Ergometrics' consulting team has extensive background in creating custom exam items from assigned sources, including internal documents such as department SOPs. React Training REACT Training complements REACT Testing and addresses employee patterns that are challenging to supervisory staff, including: unnecessary harshness, over-involvement with offenders, susceptibility to manipulation and low team orientation.

REACT Adult Corrections Testing - Ergometrics

Ergometrics' Video Tests are designed to be the initial screening tool, identifying high potential applicants as the first step in the hiring process. Validation studies show that candidate experience and education do not effectively predict judgment and human interaction ability. Therefore, screening out applicants prior to testing limits the possibility of finding people with good judgment and outstanding human relations skills.

Frequently Asked Questions - Ergometrics

Ergometrics' practice tests are designed to help reduce test anxiety for candidates not familiar with video-based testing. While not necessary in order to do well, the practice tests give candidates sample item previews and rationales for correct answers. Candidates are allowed two passes through each practice test purchase.
