Forced migration : law and policy (Book, 2013) [WorldCat.org]

Forced Migration offers an original contribution to a growing field of study, connecting theoretical ideas and empirical research with policy, practice and the lived experiences of forced migrants.

Forced Migration | Taylor & Francis Group

Displacement caused by climate change is an area of growing concern. With current rises in sea levels and changes to the global climate, it is an issue of fundamental importance to the future of many parts of the world. This book critically examines whether States have obligations to protect people displaced by climate change under international refugee law, international human rights law, and ...

Forced migration : law and policy (Book, 2007) [WorldCat.org]

Forced displacement (also forced migration) is the involuntary or coerced movement of a person or people away from their home or home region. This movement may have been caused by a variety of factors including natural disasters, violence, ethnic cleansing, individual or group persecution, droughts, civil wars, deportation and population transfer.

Forced displacement - Wikipedia

This book provides a comprehensive analysis of immigration law in Australia and of the political, social and cultural forces that have shaped and are shaping it. It explains the momentous changes that have occurred in law and policy since the first attempts, in December

Immigration, Refugees and Forced Migration - Irwin Law

Nearly 6 million Afghans fled after violence erupted in the late 1970s, primarily to Iran and Pakistan. While millions returned after the collapse of the Taliban in 2001, the security situation has since deteriorated and the government struggles to meet the needs of vulnerable populations, particularly the internally displaced. This country profile explores Afghanistan's complex migration ...
