Infant Lesson Plan - Imagination Learning Center

To prepare an infant lesson plan, the first thing I like to consider is the developmental stages of an infant. Each stage brings about new understanding and abilities. Because you may have a variety of developmental stages in your care at one time, you will want to create a plan that is flexible and easily adjusted to meet the developmental needs of each child.

Infant Lesson Plan - Template.net

Infants need a balance of fine and gross motor activities, sensory play and outdoor play every day in addition to daily care such as feeding and diapering. Creating individualized lesson plans for infants can be a challenge, but it is not impossible. Use these guidelines for infant lesson plans for preschools to implement a variety of activities at your school or daycare.

Natural disasters, illnesses, injuries, or threats of violence can shatter the daily routine of a child-care program. As a teacher, it is your job to keep infants and toddlers safe during these difficult events. You can also be a resource and comfort to families and communities that deal with the aftermath of an emergency.
