The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

International Arbitration Three Salient Problems

The lectures deal with several distinct problems, all of which relate to an ultimate issue: the vitality – or, alternatively, vitiation – of the international arbitral process. The three topics are defined as follows in the Preface: The first is that of the severability of the arbitral clause of a contract.

Arbitration and Alternative Dispute Resolution - Wildy

This study examines three salient problems which arise in this connection: the relationship between an arbitration clause and the contract of which it forms part; whether a refusal to arbitrate is a denial of justice under international law; and the impact upon arbitration of the withdrawal of a member of the tribunal.
