Is Slavery Consistent With Natural

From this, Aristotle defines natural slavery in two phases. The first is the natural slave's existence and characteristics. The second is the natural slave in society and in interaction with their master. According to Aristotle, natural slaves' main features include being pieces of property, tools for actions, and belonging to others.

into the pro- and anti-slavery camps. This is because many of those who fought for universal rights made them conditional, and Indians and blacks were deemed by many not to meet these conditions.

Slavery and Racism in Natural Law and Natural Rights ...

The natural slave is an example of such a developmental failure, and the despotic partnership is offered by Aristotle as the most natural means for its redress. Thus, I have argued that Aristotle's defense of natural slavery must be understood as intrinsic to his teleological account of the human good and his teaching of natural right.

Who are Aristotle's natural slaves? : askphilosophy

Slavery and enslavement are the state and condition of being a slave, who is someone forbidden to quit their service to another person and is treated like property. In chattel slavery, the
