Liberation, Imagination and the Black Panther Party: A New ...

"The history of the Black Panther Party is an indispensable part of the dramatic account of black struggle in this country, and this book is an important contribution to that history. The essayists have impressive credentials as either members of the Party or keen observers of its activities, and because they carry the story into the present day the book becomes especially valuable.

Black Panther (2018) is a revolutionary film, but what kind of revolution? The movie broke new ground in a number of areas: it is the first Marvel Cinematic Universe (MCU) film to feature a black superhero, black director and mostly black cast, the first to make more than \$1 billion globally, the first film to get a studio-funded Oscars 2019 campaign, the first "black blockbuster."
