### The Reading and Writing Workshop Framework and Environment

As Lucy Calkins explains in The Art of Teaching Writing, the mini lesson allows a teacher to convey a tip or strategy to students that they will use often (Calkins 1986). Sharing tips and strategies in this way allows students to gain valuable, relevant skills on a regular basis without spending too much time on drill and worksheets that might otherwise be used to teach the same skills. The lessons can focus on any number of topics, including reading, writing, problem-solving strategies and ...
