The New Holland H6700 Series Disc Mowers have a breakaway latch located on the hitch and frame mount. The latch will breakaway, up to 19 degrees, if the mower comes in contact with an immovable object. If the cutterbar does break away, the operator simply reverses the tractor and mower and the latch automatically re-engages.

MyCNHi US Store - New Holland Agriculture

New Holland Disc Mower - posted in Machinery: Just received a used New Holland disc mower today. It is a 2005 616. I can say Im not to impressed with the salesman I was dealing with. He said it was in perfect condition and only had about 500 acres on it. I asked him to check for slop in the hubs and go over a couple other things. I got the mower and the hubs have what I would consider some ...
