On the Threshold of Beauty – V2_Lab for the Unstable Media

On the Threshold of Beauty is an exciting and detailed reconstruction of the emergence of electronic music in the Netherlands. Kees Tazelaar—composer and head of the Institute of Sonology at the Royal Conservatoire in The Hague—relates its turbulent history from the earliest beginnings in the mid-1920s through to the postwar era and the emergence of musique concrète.

On the threshold of beauty : Philips and the origins of ...

From Beauty Is an Edge of Becoming by Krista Tippett and John O'Donohue: "If you go back to the etymology of the word 'threshold,' it comes from 'threshing,' which is to separate the grain from the husk. So the threshold, in a way, is a place where you move into more critical and challenging and worthy fullness.

On the Threshold | S. T. Fleming

Last week a very nice review of Kees Tazelaar's *On the Threshold of Beauty* was published on the website of Cycling74 (yes, that's the company that creates Max/MSP) written by Gregory Taylor.. The review is very positive and concludes with: 'It was a great read, and it reminded me once again that the best scholarship reminds you that the word "history" always includes that little word "story.'

1979.. It can be said that the concept of threshold art maintains at least a portion of the traditional doctrine of art as discussed earlier, mainly in its emphasis on the capacity of art to symbolically connect, or join together, with the Sacred. That is, it touches on and reminds us of the sacramental potential of art.
