that I read in early
September, possibly to
get back into an
academic groove as
the fall semester
began. Though it's
written very slightly
like a reference book,
it's incredibly inspiring
and uplifting to learn
about the civic, uniting
aspects about early
libraries.

In *Part of Our Lives*, Wayne A. Wiegand delves into the heart of why Americans love their libraries. The book traces the history of the public library, featuring records and testimonies from as early as 1850. Rather than analyzing the words of library founders and managers, Wiegand listens to the voices of everyday patrons who
