9780896086685 - Power Politics by Arundhati Roy

Secondly, I thought Roy presented some pretty startling statistics in Power Politics, so I did a little fact checking. While some of her statistics definitely check out, others do not. Some of those numbers she throws out without citing any source at all and in one instance she attributes something to a source that is no where in that source!

Power Politics | Amazon.com.br

This relationship between the imagination and the stuff of real life—violence, injustice, power—is central to Roy’s writing, dating back to her Booker Prize–winning debut novel *The God of Small Things* (1997). For the twenty years between the release of her first and second novels, the Indian writer has dismayed many—those who preferred that she stick to storytelling and those who were comfortable with the turn of global politics around 9/11—by voicing her political dissent loudly ...

How to Think About Empire | Boston Review

Suzanna Arundhati Roy (born 24 November 1961) is an Indian author best known for her novel *The God of Small Things* (1997), which won the Man Booker Prize for Fiction in 1997 and became the best-selling book by a non-expatriate Indian author. She is also a political activist involved in human rights and environmental causes.
