Real Science 4 Kids Physics - Science Supplies for K-12

The Real Science-4-Kids books are Dr. Keller's answer to the difficult territory teachers and parents navigate as they try to sort through the various philosophical perspectives found in science. Real Science-4-Kids is written as a "worldview-neutral" curriculum that Dr. Keller hopes will not only provide students with a solid foundation for science, but also give them the tools to evaluate scientific data on their own. Dr. Keller does not believe we should rely on the "experts" but instead ...

Real Science-4-Kids Physics I Laboratory Worksheets ...

Real Science-4-Kids is an award-winning science curriculum for kids. Real science teaches the fundamental building blocks in an engaging, age-appropriate way. Teach your children real science and give them the tools they need to succeed.

Home - Real Science-4-Kids

Real Science-4-Kids, Physics Level 1, Student Text

Real Science-4-Kids Focus On Elementary (formerly Pre-Level 1) is designed to introduce kids to foundational science in grades K-4. Real Science-4-Kids Focus On Middle School (formerly Level 1) covers the basics of chemistry, biology, and physics; the three courses together provide a full year of science for kids in grades 5-8. Real Science-4-Kids Focus On High School (formerly Level 2) was created for students in grades 9-12. The hands-on experiments are designed around the scientific ...

Homeschool Science from HST - Home Science Tools | Science ...

Real Science-4-Kids. Real Science-4-Kids was created by Dr. Rebecca Keller in response to a need she discovered while home educating her own children. Because of her strong background in science (Ph.D. in biophysical chemistry and former research assistant professor), Dr. Keller wanted science curriculum with solid content that children would enjoy.

Real Science-4-Kids

Real Science 4 Kids has three physical books you get: student textbook, teacher manual, and lab notebook. You could probably get away without the teacher manual, but the manual has some helpful tips to throw in there as you work on stuff (I'm totally the homeschool mom who forgets to check her teacher manual most of the time).

I finally found the perfect middle school science curriculum

Grade level range K-4, 5-8, or 9-12. Easy-to-understand introductory level science. Chapter sequence alignment for multiple grade level teaching. Ten hands-on, real science experiments – one experiment for each chapter in the Student Textbook.
