Set Off In Arbitration And

This book considers the issues involved in international commercial disputes where set-off has been used. Most such disputes are conducted through arbitration so the focus of this book is on the effect of arbitration proceedings on set-off claims. The book considers the important institutional rules of arbitration procedure such as the Swiss Rules, the CNUDCI, the ICC rules and others.

Set-Off in Arbitration and Commercial Transactions ...

However, the efficient outcome produced by set-off belies the complicated process of applying it in international commercial arbitration. An arbitral tribunal looking to apply set-off must
