If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library.

Silence And Democracy Athenian Politics

The role of elites vis-à-vis the mass public in the construction and successful functioning of democracy has long been of central interest to political theorists. In *Silence and Democracy*, John Zumbrennen explores this theme in Thucydides' famous history of the Peloponnesian War as a way of focusing our thoughts about this relationship in our own modern democracy.

...

To understand democracy in the History we must grapple with the presence of an abiding and meaningful collective silence—a silence that Thucydides locates at the core of Athenian democratic politics. And for us to understand the nominalization of democracy under Pericles we must assess the changing relationship between the collective silence of the demos and the Athenian political elite.

Greece is a parliamentary representative democratic republic, where the President of Greece is the head of state and the Prime Minister of Greece is the head of government within a multi-party system. Legislative power is vested in both the government and the Hellenic Parliament. Between the restoration of democracy in 1974 and the Greek government-debt crisis the party system was dominated by ...

...

Solon (in 594 BC), Cleisthenes (in 508/7 BC), and Ephialtes (in 462 BC) contributed to the development of Athenian democracy. Cleisthenes broke up the power of the nobility by organizing citizens into ten groups based on where they lived, rather than on their wealth. The longest-lasting democratic leader was Pericles.
