Navigating S Corp Tax Planning: Savvy Tips and Tricks

S corporations are corporations that elect to pass corporate income, losses, deductions, and credits through to their shareholders for federal tax purposes. Shareholders of S corporations report the flow-through of income and losses on their personal tax returns and are assessed tax at their individual income tax rates. This allows S corporations to avoid double taxation on the corporate income.

S Corporations | Internal Revenue Service

The first such benefit is this: If an S corporation loses money, that loss typically becomes a tax deduction on the shareholder's individual tax return. For example, if you and your buddy each own half of an S corporation and the S corporation loses \$10,000 for the year, you probably each get to add a \$5,000 deduction to your individual tax returns.
