As a result, the real case for independent initiatives in education is seldom made. There are those who defend independent education on the grounds of freedom. To prevent people from associating for an educational purpose, they argue, merely because the result is to confer an advantage on the people involved, is to strike a blow at the heart of society.

In this case, the relocation assistance is just a part of the price of property investments. The second reason is if a landlord needs to use the property to house a family member. In most cases, this means that the cost of rental relocation is tiny in comparison to the free or reduced rent that family members would be paying to their relatives.
