Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Hat is a cute story about embarrassment, friendship and popularity. As with Bringing Down the Moon, the main characters are animals. In this one the protagonist is a hedgehog who wants nothing more than to get a stocking off his back before all his friends think he's stupid for wearing such a ridiculous "hat."
