and graphic arts flourished and became an important vehicle of the style, thanks to the new technologies of color lithography and color printing, which allowed the creation of and distribution of the style to a vast audience in Europe, the United States and beyond. Art was no longer confined to art galleries, but could be seen on walls and illustrated magazines.

Art Nouveau posters and graphic arts - Wikipedia

Lautrec's posters of the 1890s, characterized by bold, dramatic designs, are lively and sensitive depictions of Parisian personalities.

Bookmark File
