Check out the top 250 most famous authors on Read Print. For example, if you're searching for books by William Shakespeare, a simple search will turn up all his works, in a single location.

The Weirdness Of Being Heideggers

The ongoing publication of Heidegger's complete works has called into question the interpretive and translative practices that have historicized Heidegger's thinking through the adaptation of categories and mind-sets inherited from metaphysics. Ivo De Gennaro argues that the posthumous treatises in particular - many of which have yet to be translated into English - show that the
