These easy to use weather journals are always a great addition to our weather unit. The kids love becoming “real” scientists. As a teacher I love the skills they are learning. Who says you have to be a big-kid to write lab reports or observe like a scientist. You can find this Weather Journal in my Teachers Pay Teachers store.

Weather Words. Our first weather activity is to think of as many weather words as we can! This gives Mr. Greg a general idea of what we know or think about weather! The students then add words to their journals! After weather words we learn about different weather such as the sun, rain, wind, etc. We start off with the wind.
