School and System Governance - Practice Test Questions ...

Strong governance is essential for good schools. In too many schools, governing boards are not effective or confident enough. One of a governing board's three key functions is to support and challenge headteachers; holding them to account so that pupils get the best possible education. But governing boards also need support and challenge.

Twenty key questions for the governing board to ask itself ...

As an art of the possible, politics determines who gets what, when, where, how, why and where (distribution of resources). The discipline of Political science not only aids one in obtaining a wider understanding of the political system within which the distribution of resources takes place but also in understanding the power dynamics that includes, but not limited to, the struggle for power ...
