Ritual and Belief: Readings in the Anthropology of Religion is a collection of 41 readings in religion, magic, and witchcraft. The choice of readings is eclectic: no single anthropological approach or theoretical perspective dominates the text. Theoretical significance, scholarly eminence of the author, and inherent interest provide the principal criteria, and each reading complements its companion chapters, which are pedagogically coherent rather than ad hoc assemblages.

Ritual and Belief (3rd ed.) by Hicks, David (ebook)

David Hicks has a magician's touch in blending essential readings in the history of an anthropological approach to religion with an array of cross-cultural case studies that draw on the earlier theorists and display the diversity of not only religious beliefs and rituals but of ethnographic interpretation itself.

Ritual and Belief: Readings in the Anthropology of ...

The interest in studying death has grown since the first edition of Douglas Davies's 1997 Death, Ritual and Belief. The original volume provided a survey of theory and ritual that oriented the still-emerging field of death studies. In its second edition, published in 2002, Davies added the subtitle, "The Rhetoric of Funerary Rites" to emphasize his theory of "words against death" according to which words used in funeral rites, liturgies, seances, and bereavement are critical to ...
