redesigned engine, the F series. FA and FB engines are beginning to replace all EJ engines, with only the EJ257 still in the STI as of 2019.

Everything you need to know about your Subaru Engine ...

We specialize in Subaru Rebuilt Engines. Our goal was to offer a very high quality engine at a fair price that people can afford. I think that we have achieved this goal. We build them in house, and each goes through the same process. The Subaru EJ2.5 Engine has an inherent head gasket issue and a "piston slap" issue, both of which we address.
